

October 10, 2021

The Hempfield Black Knight Wrestling Club is gearing up for another exciting season of wrestling for our Hempfield student athletes in grades K-12. Our club enjoyed many successes last season across the organization, including our Youth Boys' and Girls' programs, and our Scholastic Jr. High and Hempfield High School Varsity Programs. HHS Varsity Wrestling finished the season as Section 1 Champs and top 4 in the South Central Region. We owe our successes to the work of our athletes, coaches, and the support of our community!

The Hempfield Black Knight Wrestling Club (BKWC) would like to offer your business or organization the opportunity to advertise in our 2021-22 printed program. This publication will be distributed at all home meets and tournaments and will support 150 + hardworking Hempfield wrestlers from elementary, middle school, and high school levels. We are asking for your support in purchasing an advertisement that will reach our Hempfield wrestling community during the months of December through March.

With your support, our wrestlers will be able to participate in high quality tournaments, receive healthy food and drinks at meets, and will be provided safe gear and equipment for competition. Your support will also enable the BKWC to bring in clinicians like Zain Retherford, Jason Nolf, Matt Azevedo, Jordan Wood, Kerry McCoy, and Mike Rogers.

We are looking forward to a great season! We truly appreciate your support of our local athletes.

Sincerely,

A handwritten signature in black ink that reads "Amy Edwards". The signature is fluid and cursive, with a long, sweeping underline.
