**YEARS WRESTLING:** 14ish?

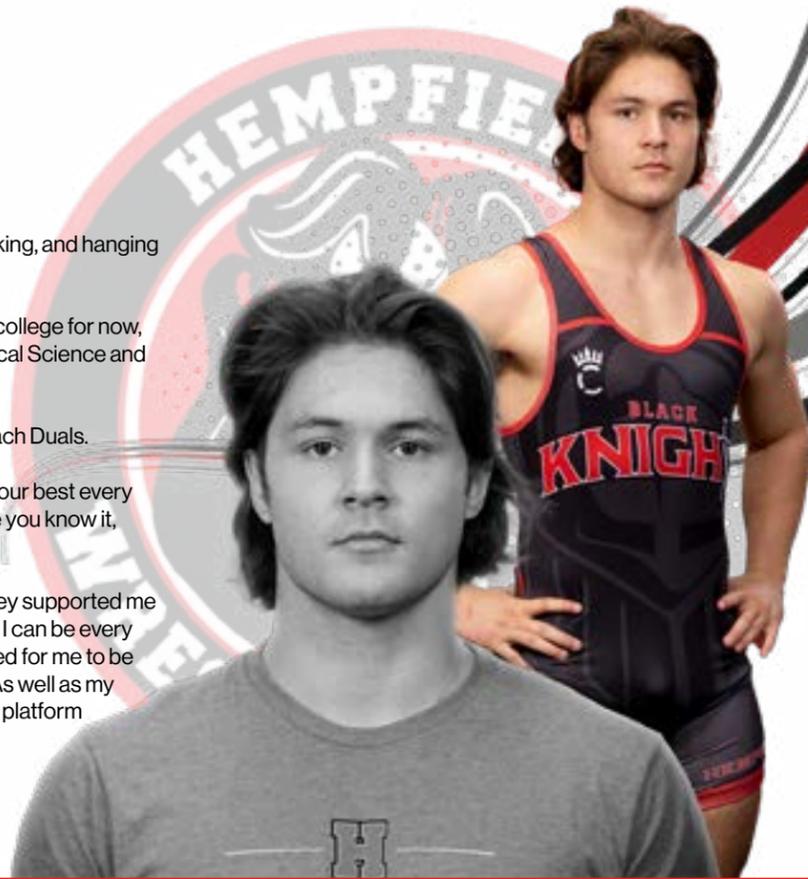

**FAVORITE HOBBIES:** Working out, wrestling, hiking, and hanging out with friends.

**POST-GRADUATION PLANS:** Undecided on a college for now, but I plan to continue wrestling and to study Political Science and something within the business field.

**FAVORITE WRESTLING MEMORY:** Virginia Beach Duals.

**ADVICE FOR YOUNG WRESTLERS:** Perform your best every single day and live in the moment because before you know it, you'll be filling out your Senior Questionnaire!

**SPECIAL THANKS TO:** My parents, because they supported me throughout my career and helped me be the best I can be every season. My coaches, because they always pushed for me to be better and make the most out of every situation. As well as my teammates, because they have given me a social platform to connect and bond with throughout my career.

SENIOR

# CLAY GAINER

**YEARS WRESTLING:** 12

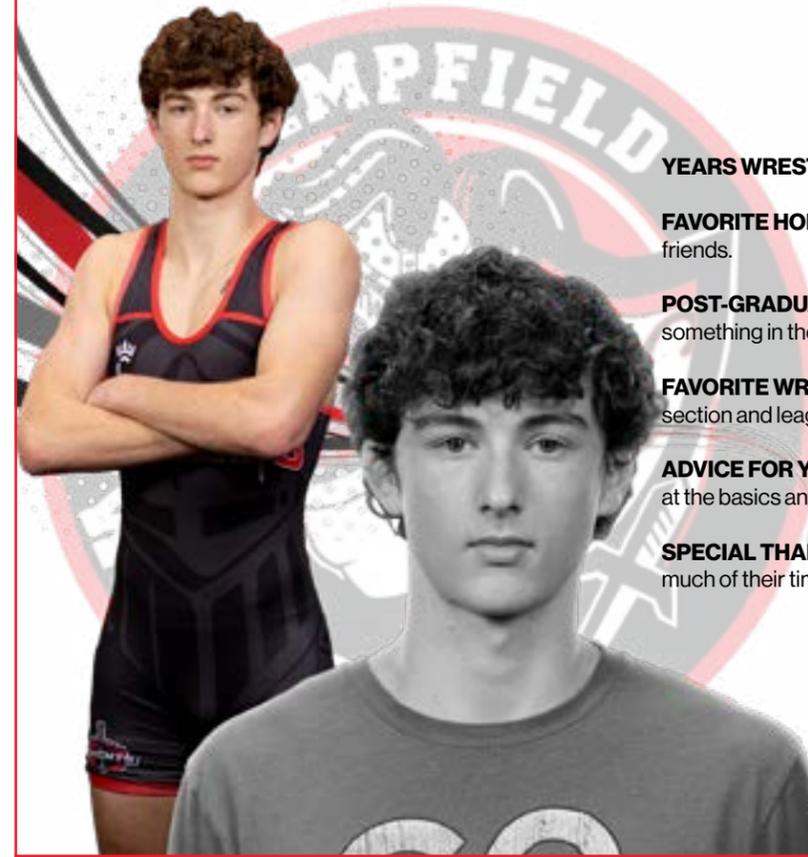

**FAVORITE HOBBIES:** Hiking, fishing, and spending time with friends.

**POST-GRADUATION PLANS:** I plan to attend college and study something in the Health/Medical field, and wrestle.

**FAVORITE WRESTLING MEMORY:** Being presented with the section and league trophy as a team at leagues 2 years ago.

**ADVICE FOR YOUNG WRESTLERS:** I would say get really good at the basics and have fun.

**FAVORITE HOBBIES:** Watching YouTube, UFC, and hanging with friends.

**POST-GRADUATION PLANS:** Undecided on which school, but I want to study either Accounting, Finance, or Economics, and will not be playing a sport.

**FAVORITE WRESTLING MEMORY:** Joining the team my senior year - seeing how open and accepting everyone was and getting to know everyone.

**ADVICE FOR YOUNG WRESTLERS:** Stick with it - it's hard, but it's a lot of fun. Don't be like me and regret not joining sooner.

**SPECIAL THANKS TO:** Reagan LeFevre - he's pretty much the reason I really started wrestling and I wouldn't have started if it wasn't for him. Also, I'd really like to thank the coaches for working with me and just being accepting and caring about me.

## DON HERSHEY

COACH & GRANDFATHER OF SENIOR REAGAN LEFEVRE

We lost an important part of our Hempfield Wrestling family this past year. Don Hershey was an instrumental member and friend of the wrestling program, having coached and supported our wrestlers for more than a decade. His dedication to the sport, and our program, is much appreciated and will be remembered for years to come.

In his honor, the Black Knight Wrestling Club created the **Donald C. Hershey Memorial Wrestling Scholarship Program**, which will help fund post-high school educational opportunities for outstanding wrestlers and scholars who continue to wrestle throughout their college careers. Don (or 'Pappy' as he was more affectionately known) will be missed by us all.

## RON SMITH

In loving memory of Coach Ron Smith, who was a long-time supporter of Hempfield Wrestling and grandfather to Hempfield Wrestling Graduate Luke Dreyer.

Rest in peace, Coach Smith.

Dan Jones was a fervent and long-time supporter of the High School and Junior High wrestling programs, and spent more than 28 years working the tables and being the voice of our Hempfield home wrestling matches. He passed away on June 11, 2021 and we honor his dedication and service to our program.

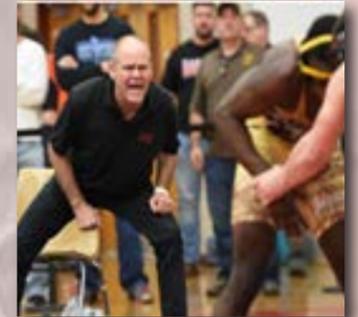

Described as a wise and kind man, Dan was a gentleman who never had a bad word to say about anyone. He made it a point to learn everyone's name and was always able to elicit a laugh with his warm sense of humor.

## Superintendent of Schools

Hello, Hempfield students, families, and community!

I am honored to serve as the superintendent of this amazing school district! Hempfield has a very supportive school community with a tremendous amount of pride for the district that is based on a foundation of academics, altruism, arts, and athletics. One thing that is important to me and our Hempfield school community is that our students have as many opportunities as possible to explore these foundations throughout their school careers.

Each year, many of our students take great advantage of the opportunities made available to them at Hempfield, excelling in educational, extracurricular, and co-curricular programs. Our students and staff continue to rise to the challenges they face and I am pleased to see that our students get the opportunity to compete this winter. I hope you will join me in supporting Coach Mack and his staff this season. We are excited to see the results of the tremendous amount of work that they, along with the students, have given to be ready for this season.

We want our entire school community to know how proud we are of our students! We believe that relationships are at the heart of why students can accomplish their goals, and our wrestling program is no exception! It is important to me that every child progresses through our school system knowing that we believe in them, they are valued, and that we want them to grow, thrive, and achieve success. This can occur when our staff, advisors, and coaches create safe environments with high expectations and foster strong, positive relationships. It is through these relationships that every child in our school system will be encouraged to make positive contributions in all aspects of their lives.

**Thank you for your support of our school district and go Black Knights!**

## High School Principal

Welcome to the Hempfield School District, Home of the Black Knights

We are a school with a rich tradition of excellence in academics, athletics, school culture, and community support.

To be a student-athlete at Hempfield High School requires a great deal of time and energy to balance the academic load with the time required on the field to excel. Our parents, teachers, administrators, and fans are passionate supporters of Hempfield's athletics and play an important role in the success of our programs. We are proud of the Hempfield tradition and all of the student-athletes, cheerleaders, and band members who are representing our school this season.

The score of any athletic event is generally forgotten over time, but the actions of the players, coaches, and spectators are remembered. Good sports show you how to play the game.

**Best wishes for a great winter season,**

James A. Dague  
*High School Principal*
